Terms and Conditions

Standard Offer

Book a car with Rentalcars.com, pay using your qualifying Mastercard credit or debit card and enjoy an instant 10% discount from the car rental price. Discount will be applied immediately on the payment page.

This offer is available to European-based cardholders (including Israel) located in qualifying countries only.

Discount is calculated from the car price element of a car rental booking, **excluding** additional services and extras (insurance, additional driver fee, one-way fee, child seat, navigation devices etc.).

To qualify for the discount, Mastercard cardholders must access the Rentalcars.com website using only the dedicated Mastercard link via Mastercard or a bank's website, mobile app or marketing communication channels which advertise this offer.

Payment must be made using a valid Mastercard. Your discount will only be applied to your booking if a valid Mastercard is used for payment.

Bookings made directly at www.rentalcars.com or via any other link, will not qualify for the discount. This promotion is not valid in conjunction with other promotions, vouchers and/or offers communicated by alternative channels, unless otherwise stated.

Discount only applies to online bookings and payments, not to 'pay on arrival' bookings.

Standard Rentalcars.com Terms and Conditions apply to all rentals, which can be found [here](#).
