

Installation

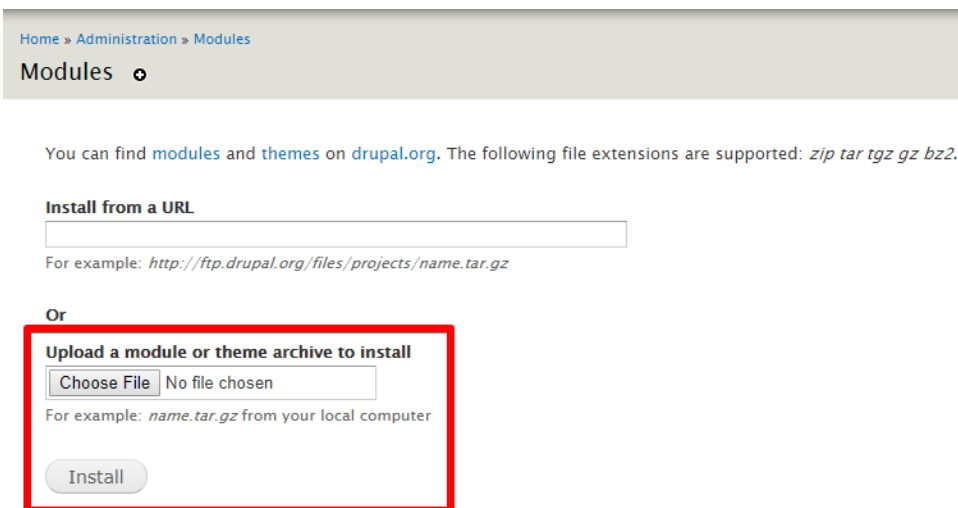

In order to install the plugin go to Administration -> Modules.

On the Modules page click 'Install new modules' link:

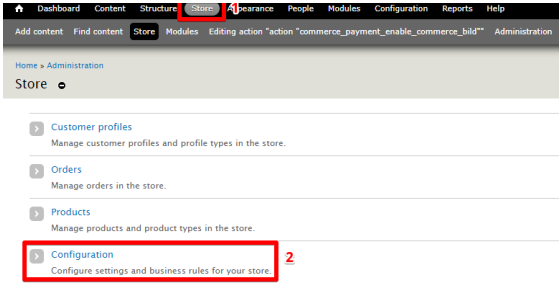

Browse for installation archive and click 'Install' button:

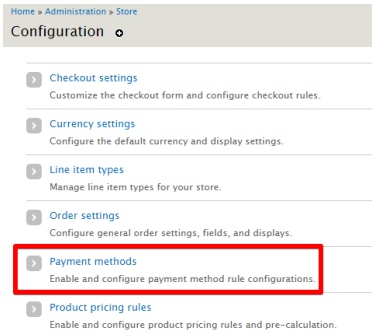

Configuration

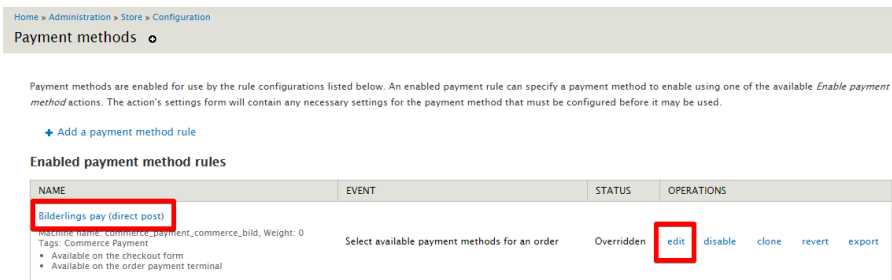

Go to Store -> Configuration:

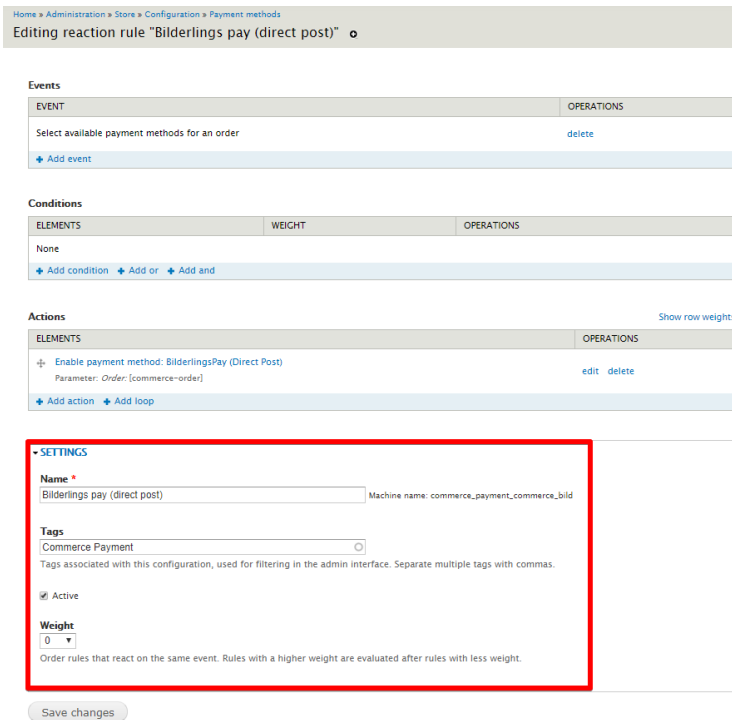

On the Configuration page click 'Payment methods':

On the Payment methods page select the BilderlingsPay (Direct Post)" and click 'edit'

Configure the rules for this payment method:

Client side payment method selection

Payment

Pay with card

Test Payment

For test payments «Sandbox» should be selected on the configuration page:

BilderlingsPay server

- Sandbox – use for testing, requires a Bilderlings Pay (Direct Post) Sandbox account
- Live – use for processing real transactions

Payment page

The customer will see the following screen during the payment processing:

Recipient	Test SIA
